TUESDAY

OCT 13
/14

SCHOOL TOURS

9:15am, 9:35am, 10:15am, 10:30am,
10:45am

This event requires booking. Booking will be available on the schools website from September

THURSDAY

OCT 16

OPEN EVENING

5:30-8:30pm

This event does not require booking, but please register your interest on the Hillview website.

PARKING AT OPEN EVENTS

Regrettably, we suffer from traffic congestion in the area and very limited space, so parking on site is not possible. Please make arrangements to park away from the school and walk in.

Additionally, a shuttle bus service runs from the Sainsbury's car park to the Hillview site on **the Open Evening only**.

DISABLED ACCESS AT OPEN EVENTS

Disabled access is available for all of our open events. Please contact the school in advance to arrange this and discuss your needs.

VISION

Students unlock their pure potential to drive their future and thrive in society.

MISSION STATEMENT

To deliver a high quality, inspirational educational experience within a broad, personalised curriculum, where the performing arts values are inherent across the school. Students access a breadth of developmental opportunities within an inclusive safe and supportive environment, fully preparing them for a challenging and ever-changing world.

OUR CORE VALUES

- Inspiration
- Innovation
- Independence
- Inclusivity

Hillview School for Girls believes in the pure potential of every child within the school to develop, mature, thrive and leave the school fully ready for the world of employment. We place a high emphasis on education beyond grades, actively building skills and exploring a wide range of opportunities to develop the awareness and engagement of our students in the world around them.

WHAT WE DO BEST

- High attaining school that caters for all students abilities
- Quality educational provision
- Inclusive, safe and supportive community
- Excellence in the Arts
- Strong pastoral support, encouraging the students' enjoyment of learning
- A breadth of opportunities supports the development of the individual

ABOUT HILLVIEW SCHOOL FOR GIRLS

We are a creative, inclusive school where all students flourish and make exceptional progress. Our dynamic Performing and Visual Arts specialisms have a profound impact upon learning and contribute to the purposeful, friendly and stimulating atmosphere that permeates the school. We foster self-belief and high aspirations.

With a proven track record of excellent results, we are one of the highest performing non-selective state schools in Kent. We commit to enabling every child to experience a flexible study programme that is right for them and will support them in reaching their life goals and overcoming any hurdles that stand in their way.

We value achievements of every kind – academic and non-academic – and we believe that everyone should have the opportunity to discover their talents. We also believe that young people respond well to high expectations. In our school we expect everyone to work hard and give their best.

THE CURRICULUM

The Lower School Curriculum—KS3

Years 7 and 8

In the Lower School we provide all students with a broad education through a wide range of subjects. Students are set according to ability and performance in English and Mathematics for Years 7-11.

In Years 7 and 8 students study :

- Art & Design—Fine Art, Textiles and Graphics
- Computing
- Dance
- Drama
- English
- Food & Nutrition
- French/Spanish
- Geography
- History
- Maths
- Music
- Personal Development Learning (PDL)
- Physical Education
- Religious Education
- Science

Year 9—Accelerated Curriculum

Year 9 acts as a transition year, retaining some of the breadth of the Key Stage 3 curriculum whilst allowing students some choice in the subjects they continue with.

All students study core subjects (English, Mathematics and Science), grouped by ability.

All students will choose one preferred subject within each of the following curriculum areas: Performing Arts, Humanities, MFL and Visual Arts. They will also get the opportunity to extend their study to two subjects in one of the aforementioned areas of learning.

Students in Year 9 also study Personal and Spiritual Learning, RE, PE and Computing.

The Upper School Curriculum—KS4

All students in the Upper School follow a core curriculum in English (2 GCSEs), Mathematics and Science (Combined Science or 3 separate sciences) as well as PDL/RE and PE. Students have the opportunity to select 4 GCSE options from a range of options over two years (Years 10 and 11).

For all year groups we set homework on a daily basis and expect students to develop good habits of independent learning.

Sixth Form

We have a vibrant, mixed Sixth Form that offers multiple routes of studies, which are flexible to ensure each student is on the appropriate pathway for them.

Our students access a wide range of opportunities which extend their learning and develops employability skills. They benefit from linking with some of our many industry partners, work experience and national/international visits.

The majority of our Sixth Form students study 'A' Level courses. However, our offer also benefits from targeted vocational courses that support students in their career pathways and gain entrance to university.

The View @ East Sreet (TV@ES)

Our satellite school The View@East Street is a post-16 provision that offers both academic and work-related learning for Level 1 & 2 students. It also hosts Viewpoint, a KS4 anxiety-based school avoidance programme.

PERSONAL DEVELOPMENT LEARNING (PDL)

Appropriate and responsible relationships and sex education are important elements of the school curriculum that prepare young people for adult life. Relationships and Sex Education at Hillview aims to complement and support parents but also recognises that some students will receive little or no sex education at home. The school is sensitive to this and ensures every child in our care has a good understanding of the law, reproduction and rights within the context of their values and personal identity.

CAREERS EDUCATION AND GUIDANCE

Hillview recognises the importance of CEIAG for all students. We actively seek opportunities to work with businesses, apprenticeship providers and further/higher educational organisations and embed this work within the curriculum. This helps students develop the skills and attitudes required to thrive in the workplace and FE or HE educational establishments.

We are committed to providing students with access to impartial careers advice to help them make the choices that are right for them. Students have access to independent careers advice no matter what year they are in, with tailored interviews which are scheduled across years 10 to 13.

We are extremely proud to hold the full 'Investors in Careers Award' since 2010, a nationally recognised quality award for the provision of CEIAG within an institution, which certifies that we have "achieved the most exacting standards of excellence in careers education and guidance".

We have a full time Careers and Employability Leader to manage our Careers and Employability programme. We also have a close working relationship with a dedicated Enterprise Advisor who helps source exciting opportunities for our students to engage with the world of work.

RELIGIOUS EDUCATION, ASSEMBLIES AND COLLECTIVE WORSHIP

Religious Education aims to promote an enquiring and sympathetic approach to the study of religion by introducing students to the challenging and varied nature of religion and of religious experience, belief and practice.

SPORT

Sport plays a significant part in the life of the school and all students are encouraged to become involved. The Physical Education Department, with assistance from other members of staff, runs a wide range of sporting activities and school teams. We have students performing at the highest levels in a range of sports from athletics to rugby or skeleton bobsleigh.

BEHAVIOUR

Our strong pastoral system ensures that behaviour is excellent and there is a purposeful atmosphere throughout the school where young people can thrive and feel supported. Our environment helps students gain greater confidence, ensures there are less distractions and allows them to mature at their own pace.

Teaching our students the skills of self-belief, independence, resilience, unity, responsibility and collaboration is an important part of the curriculum. Without these skills our academic objectives cannot be achieved nor students' life chances increased.

Furthermore, we believe that these skills are vital in adult life and the working world and ask parents to support in developing these qualities in their children.

Every person within the Hillview community has the right to be treated as an individual and with respect. Good relationships are vital to the successful working of a school.

CLUBS AND EXTRA-CURRICULAR ACTIVITIES

We offer a wide variety of extra-curricular activities at Hillview (on average 70). All students are encouraged to attend at least one club. We have one of the largest cohorts for Duke of Edinburgh in the area and membership of our cheerleading squad currently stands at over 100.

MENTORING

Our Key Stage vertical mentor system supports every child through the varying stages and demands of secondary education. The mentor system offers a constant support mechanism and development within the Austen, Franklin, Hepburn and Westwood communities.

Positive discipline is fundamental to the school's ethos, allowing for effective learning in a safe, enjoyable and interesting environment.

STRUCTURE OF THE SCHOOL DAY

	Monday – Thursday	Friday
Mentor	8.40-9.00	8.40-9.00
Period 1	9.05-10.05	9.05-10.05
