We are an extremely popular and successful school and in the past the pressure on places has been intense. The average area within which we are able to offer places has been around 8.72 miles in March. However, we have been able to offer places to children who lived much further away, although not necessarily in March when the first offers are made, for various reasons a number of places become available between March and even as late as July, as illustrated in the table above.

If you want a place at Hillview School for Girls and you are not offered a place in March it is important that you complete the KCC waiting list form sent with your offer in March, indicating Hillview as first choice and there is a high chance that you may be successful in gaining a place at a later date.
